

EVENT

The FIA Protea Branch is very pleased to invite members to the annual Education Forum. This year's programme is varied and has presentations covering a number of the financial advice disciplines. Your attention is drawn to the importance of selecting which master classes you wish to attend on the day. Please note your preferred choices with registration. Seating may be limited.

Please find attached the agenda for the day.

This will be a regulatory CPD approved event, at no cost to members of the FIA. Non-members will have to pay R175.00 when registering for the event on QUICKET.

Please note that, depending on the seats available, registration for this event closes on **11th September 2019 at 8h00**. Please register by clicking on the link provided below.

Details of the event:

Date: 13 September 2019
Time: 08h00 for 09h00
Venue: **Rosebank Union Church
38 St Andrews Rd
Hurlingham, Sandton**
Total CPD hours : 2.5 Hours

Registration:

The link below will direct you to the QUICKET website to register for this event.

Please print your Quicket ticket and bring it together with your ID to the event, for sign-in and sign-out purposes.

Please click [HERE](#) to register.

Registration can only be accepted if details of the person's name, ID number and e-mail address are provided for verification purposes. Members of the FPI and IISA must also provide their membership number of the professional body.

Important:

Regulatory CPD events must be verifiable which means that **attendees will have to identify themselves at the event by means of an ID, driving license or passport**. Attendees must also sign an attendance register at entrance and at the conclusion of the event. This is necessary to issue certification of attendance of a regulatory CPD approved event for record keeping purposes by all FSPs, as prescribed by Board Notice 194 of 2017.

Also note that as the event has been approved for regulatory CPD hours, the event will also qualify for professional CPD recognition by the FPI and/or the IISA.

Note: Personal information will only be used for identification and verification purposes, in line with the privacy policy of the FIA. Our privacy policy can be accessed on the FIA website at the bottom of the Home page – www.fia.org.za
