Registration can only be accepted if details of the person's name, ID number and e- mail address are provided for verification purposes. Members of the FPI (or IISA as the case may be) must also provide their membership number of the professional body.

Important:

Regulatory CPD events must be verifiable which means that attendees will have to identify themselves at the event by means of an ID, driving license or passport. Attendees must also sign an attendance register at entrance and at the conclusion of the event. This is necessary to issue certification of attendance of a regulatory CPD approved event for record keeping purposes by all FSPs, as prescribed by Board Notice 194 of 2017.

Also note that as the event has been approved for regulatory CPD hours, the event will also qualify for

professional CPD recognition by the FPI and/or the IISA.

Note: Personal information will only be used for identification and verification purposes, in line with the privacy policy of the FIA. Our privacy policy can be accessed on the FIA website at the bottom of the Home page – www.fia.org.za
